

Sul ponte di Bassano

On Bassano's Bridge

Italia
Canto degli Alpini
Arr: Gilbert DeBenedetti

1. Sul ponte di Bassano
noi ci darem la mano,
noi ci darem la mano,
ed un bacin d'amor. (2v.)

2. Per un bacin d'amore
successer tanti guai...
Non lo credevo mai,
doverti abbandonar. (2v.)

1. On the bridge in Bassano
we'll take each other's hand,
We'll take each other's hand
and a little lover's kiss.

2. With a little lover's kiss
there come so many problems:
I could never have known
that I would have to leave you.
